

2020 Brazil Custom Trek: Amazon

| Dates | Destination | Activities | Comments |
|--------------|---------------|--|---|
| Sat Oct 17 | Recife | Arrival to Recife and transfer on own to hotel Free day | Lunch on own Group Welcome dinner Overnight hotel in Recife |
| Sun Oct 18 | Recife | Meet the children at the orphanage Work Day | Lunch at orphanage Dinner on own Overnight hotel in Recife |
| Mon Oct 19 | Recife | Finish work projects Party with the children in the evening | Group lunch Dinner at orphanage Overnight hotel in Recife |
| Tue Oct 20 | Recife/Manaus | All day field trip with the children. Evening flight to Manaus | Lunch with kids Dinner on own Overnight hotel in Manaus |
| Wed Oct 21 | Amazon | Early morning departure to the jungle. Transfer by van and boat to Juma Lodge (3hrs). On the way we will see the meeting of the Black River and Solimões Waters and possibly pink dolphins. The two rivers run parallel for a long stretch, without mixing, until forming the Amazon River. After lunch at the lodge, depart on a canoe trip through the streams and igapós. During the trip, swim and watch the porpoises. Then after dark, venture out on a boat to search for alligators along the shore. | All meals included Overnight Juma Lodge |
| Thurs Oct 22 | Amazon | Sunrise walk to see the colors of the morning in the jungle then after breakfast a hike to learn about the plants and animals in the area. After lunch we will go out on a boat to fish for piranha and other fish in the Amazon. Dinner will be the fish you catch. | All meals included Overnight Juma Lodge |
| Fri Oct 23 | Amazon | Morning hike and a picnic in the forest. Lunch will be made over a fire with regional cuisine. After lunch, rest in hammocks while listening to the sounds of the jungle. In the afternoon visit an indigenous person's home to learn about medicinal plants how manioc flour is made, and other local ways. | All meals included Overnight Juma Lodge |
| Sat Oct 24 | Manaus | Morning departure to Manaus. On the way we stop at a place where we can see the pirarucu fish which can reach more than three meters and 200 kg. Arrive by 12:00 pm to Manaus. Afternoon or evening flights home. | Breakfast included |
| Sun Oct 25 | | Arrive home | |
